#### B. Receivership

On December 20, 2011, in a case styled Commonwealth of Virginia ex rel. State Corporation Commission v. Southern Title Insurance Corporation and Manju S. Ganeriwala, Treasurer of Virginia, the Circuit Court of the City of Richmond, Virginia (the "Court"), found that Southern Title was in a condition where any further transaction of business would be hazardous to the policyholders, creditors, subscribers, and the public. Therefore, pursuant to Title 38.2, Chapters 10 and 15 of the Virginia Code, the Court issued its Final Order Appointing Receiver for Rehabilitation or Liquidation (the "Receivership Order") appointing the State Corporation Commission of the Commonwealth of Virginia (the "Commission") as Receiver of Southern Title. Also, on December 20, 2011, pursuant to Title 38.2, Chapters 10 and 15 of the Virginia Code, the Commission entered its Order Appointing Deputy Receiver for Conservation and Rehabilitation appointing Jacqueline K. Cunningham, the Commissioner of Insurance for the Bureau of Insurance for the Commonwealth of Virginia (the "Bureau"), as Deputy Receiver. On December 20, 2011, the First Directive of the Deputy Receiver Appointing Special Deputy Receiver was issued, which appointed Donald C. Beatty, Senior Counsel in the Commission's Office of General Counsel, as Special Deputy Receiver.

As of September 15, 2011, the Company voluntarily ceased soliciting any new contracts or policies of insurance or reinsurance. On that same date, all agents of the Company received notice of termination. The Commission subsequently issued an order of suspension on September 19, 2011, and an impairment order on November 4, 2011, because the Company no longer met minimum capital and reserve requirements.

Prior to receivership, the Company was licensed to conduct business in the following states: Alabama, Arkansas, Colorado, Delaware, District of Columbia, Florida, Georgia, Louisiana, Maryland, Mississippi, Nevada, New Jersey, New Mexico, North Carolina, Ohio, Pennsylvania, South Carolina, Tennessee, Texas, Virginia, and West Virginia. The Company withdrew from New Mexico in 2009, Texas in 2010, and Ohio in 2011. The

## NOTES TO FINANCIAL STATEMENTS

Company's license became inactive in Alabama and Georgia prior to receivership and inactive in Delaware, the District of Columbia, Louisiana, and Tennessee post-receivership. The Company's license has been revoked, suspended, or is under review for such action in its domiciliary state of Virginia and in Arkansas, Colorado, Florida, Maryland, Mississippi, Nevada, South Carolina, and West Virginia.

The Receivership Order directed the Receiver, Deputy Receiver, and the Special Deputy Receiver to take control and possession of all of the Companies' property and affairs. The Deputy Receiver takes the place of the Board of Directors for the purpose of answering the various "General Interrogatories." Also, the "General Interrogatories" have been answered to the best of the Deputy Receiver's and her authorized representatives' knowledge and may be subject to change. Information for periods prior to December 20, 2011, is presented as previously reported to the Bureau by the Company or as presented in the books and records of the Company.

On December 21, 2011, the Deputy Receiver adopted a receivership appeal procedure for appeals or challenges of any decision made by the Deputy Receiver with respect to all claims against the Company in the Second Directive Adopting Receivership Appeal Procedure.

On August 23, 2012, the Deputy Receiver issued the Third Directive of Deputy Receiver Imposing Suspension and Moratorium ("Third Directive") effective July 26, 2012, implementing an official moratorium on all claim-related payments and costs. The moratorium was entered after the draft actuarial analysis provided for higher case reserve levels. Based on the Third Directive, all direct claim payments and defense cost payments have ceased. Administrative expenses are still being paid for curative work to abate potential losses.

On July 28, 2014, the Commission issued its Order of Liquidation with Finding of Insolvency (the "liquidation order") in which it found that further efforts to rehabilitate Southern Title would be futile, and the Company should be liquidated. The liquidation order established January 28, 2015, as the claims filing deadline, the date by which all applicable claims against Southern Title must be received by the Company. All claims other than pending claims and administrative claims are subject to, and must be received by Southern Title on or before, the claims filing deadline to be considered timely filed. The liquidation order further requires that all timely filed claims must be rendered certain, liquidated, and non-contingent within a reasonable time following the initial presentment of the claim, and at the latest, on or before January 28, 2016.

### C. Use of Estimates in the Preparation of the Financial Statements

The preparation of financial statements in conformity with Statutory Accounting Principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements, accompanying schedules and accompanying footnotes, and general interrogatories. It also requires disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.

### D. Accounting Policies

The Company generally recognizes premiums when collected on policies it writes directly and when reported to the Company on policies issued by its agents. A statutory premium reserve is established for the protection of holders of title insurance policies. The statutory premium reserve is adjusted each year based on the number of policies issued and the net retained liability under those policies and amortized annually in accordance with a formula prescribed by the Bureau.

In addition, the Company uses the following accounting policies:

- (1) Short-term investments are stated at cost or amortized cost.
- (2) Bonds are stated at amortized cost using the interest method.
- (3) Common stocks are stated at market, except for investments in subsidiaries, which are valued as stated in (7) below.

#### Claim 2006-86 – Ray F. Grimes

A claim was filed by our insured lender after they determined the borrower was one of six heirs who inherited the property. At the time of the loan, the borrower had obtained a quitclaim deed from one other heir. Therefore, when the loan was made the borrower only owned a 1/3 interest in the property. To resolve the claim, STIC retained counsel to file an action to perfect the lien on the title. Although all parties were served, the court would not grant our insured default judgment. The insured was entitled to indemnification for their loss due to their collateral only being 1/3 interest in the property instead of a full interest. To facilitate possible recoupment, STIC negotiated to pay the insured \$24,000 in settlement of their loss and the insured agreed to convey to STIC the 1/3 interest they acquired through foreclosure. To realize on the 1/3 interest, STIC retained counsel to bring a partition action to sell the property which would result in STIC being paid 1/3 of the proceeds of sale. The partition suit is pending and a sale date is to be set by the court in the near future. Due to the

## NOTES TO FINANCIAL STATEMENTS

uncertainty of what the net proceeds will be from the forced partition sale, it is difficult to place a value on STIC's 1/3 interest.

### Claim 2006-119 – Gregory L. & Georgia E. Ashworth

On October 13, 2011, Southern Title purchased the property insured under this claim in foreclosure for an amount of \$50,000. At the time of purchase, the property had an assessed value of \$137,000. In September 2014, a Listing Agreement was prepared by a broker with a selling price of \$70,100. Due to the drop in value, additional work is being done to assess the property's value.

The Company is continuing to review all the information related to these two properties to determine what value, if any, should be reported on the financial statements.

### E. Operating loss carry-forward:

- (1) As of December 31, 2012, there is a net operating loss carry-forward of \$17,516,545 available for tax purposes that, if unused, will expire in 2030. There are no tax credit carry-forwards available for tax purposes. The Company's current year operating loss will be utilized in consolidation with the parent company to the extent of their taxable income.
- (2) The amounts of federal income taxes incurred that are available for recoupment in the event of future net losses are \$0 for 2014 and 2013.

### F. Consolidated federal income tax return:

The Company was included in the federal consolidated tax return of ALPS Corporation ("ALPS") and its subsidiaries for the period ending December 31, 2013. ALPS is the parent entity of the consolidated return. In addition to ALPS and the Company, the following subsidiaries were included in the consolidated federal income tax return:

Attorneys Liability Protection Society, Inc.  
Peak Investment Management Ltd.  
First Lawyers Trust  
ALPS Risk and Insurance Services, Inc.  
Foundation Services Corporation  
Investors Southern Corporation  
Southern Title Agency Corporation  
Southern Title Services, Inc.  
Southern Title Abstractors Corporation  
Glasgow Enterprises Corporation

Under the tax allocation agreement between the various entities effective for the 2011 tax year, each had agreed to share any tax or recovery of tax based on its individual taxable income or loss. Each entity's current taxable income or loss was to be adjusted by any prior taxable income or loss which could be carried forward to the current year. On December 27, 2012, ALPS, as the parent corporation of this consolidated group, issued a letter purporting to terminate the tax allocation agreement effective January 1, 2012. Accordingly, there is currently no agreement for the allocation of income, losses, and tax liabilities for the 2012 and subsequent tax years. A consolidated return was filed by ALPS, but no compensation or adjustment was provided to Southern Title for its loss carry-forwards that were applied by ALPS to offset its income. ALPS further claimed in the December 27, 2012, letter that it was evaluating the possibility that it would elect to retroactively terminate the tax allocation agreement and file an application to deconsolidate the group for tax years ended 2011, 2010, and 2009. No such attempt to deconsolidate retroactively has occurred.

### G. Federal or Foreign Federal Income Tax Loss Contingencies

The Company does not have any tax loss contingencies for which it is reasonably possible that the total liability will significantly increase within twelve months of the reporting date.

## 1. INFORMATION CONCERNING PARENT, SUBSIDIARIES, AND AFFILIATES

- A. All outstanding shares of the Company were owned by Investors Southern Corporation ("ISC"), a holding company for the insurance operations domiciled in the Commonwealth of Virginia. All outstanding shares of ISC were owned by ALPS, a holding company domiciled in the state of Montana. ISC subsidiaries Southern Title Agency Corporation and Glasgow Enterprises Corporation were terminated on January 23, 2013. ISC's corporate existence was terminated on February 28, 2013, and Glasgow Enterprises Corporation II was previously terminated in 2001. ALPS turned over all assets of the non-Southern Title ISC

## NOTES TO FINANCIAL STATEMENTS

subsidiaries to the Company. Southern Title's shares became the property of ALPS on ISC's dissolution. The Company has a wholly-owned subsidiary, Southern Title Services, Inc., which is described in Note 1(D)(7) above and carried in the statutory financial statements at \$0. On December 27, 2013, ALPS tendered what it called an assignment of shares, allegedly assigning the shares it received from the dissolution of ISC to the Deputy Receiver of Southern Title. The transfer was without consideration, and the Deputy Receiver rejected and disclaimed the assignment.

- B. The admitted balances due to or from affiliates as of December 31, 2014, and December 31, 2013, amounted to \$0 and \$0 due from affiliates, respectively. The non-admitted balances due from affiliates for these same dates are \$0 and \$0, respectively. As of June 30, 2013, the Company determined that it was due additional amounts under the tax allocation agreement with ALPS for tax years 2009, 2010, and 2011. By letter agreement dated July 31, 2013 (the "Letter Agreement"), the Deputy Receiver and ALPS resolved the issue. Pursuant to the Letter Agreement, the Company received \$579,042.15 in cash and an assignment of whatever rights ALPS might have in a fund of \$29,391.30 that was the subject of an interpleader action. The \$579,042.15 was applied to the admitted balance due from ALPS of \$242,751, and an additional non-admitted balance of \$25,460 was written off. The remaining balance of \$336,291 due under the tax allocation agreement was paid to the Company on July 31, 2013. After review, it is the opinion of the Company that its former agent's escrow funds subject to the interpleader action do not belong to Southern Title, and under applicable law, should escheat to the State.
- C. There were no changes in the method of establishing the terms from that used in the preceding period.
- D. See Note 10.B. above.
- E. Not applicable.
- F. Prior to receivership, the Company had a management fee agreement with Southern Title Services, Inc., Southern Title Agency Corporation, an affiliate and title insurance agency, and Glasgow Enterprises Corporation, an affiliate and holding company, pursuant to which the Company was paid a management fee equal to the profits or losses of each company. The Company also received service fees pursuant to leased employee agreements between the Company and certain subsidiaries of its sister corporation, Glasgow Enterprises Corporation. Once the receivership began, the Deputy Receiver reached an agreement with Southern Title's parent company, ALPS, by which ALPS would proceed with dissolution of the affiliate companies and distribute proceeds of those closings to the Company. The Glasgow Enterprises Corporation subsidiary, Southern Title Insurance Corporation of Ohio, settled outstanding amounts due under the management agreement by paying Southern Title \$150,000 on April 26, 2013.

### 3. RETIREMENT PLANS, DEFERRED COMPENSATION, POST EMPLOYMENT BENEFITS AND COMPENSATED ABSENCES, AND OTHER POST RETIREMENT BENEFIT PLANS – NOT APPLICABLE

### 4. CAPITAL AND SURPLUS, DIVIDEND RESTRICTIONS, AND QUASI-REORGANIZATIONS

The Company has 250,000 shares authorized and 210,320 shares issued and outstanding of its common stock. The Company has no preferred stock.

The Company is subject to certain minimum levels of capital and surplus as required by statutes of the states in which it is authorized to do business. As of November 4, 2011, the Company no longer exceeded all minimum capital requirements.

## NOTES TO FINANCIAL STATEMENTS

The maximum amount of dividends which can be paid by insurers domiciled in the Commonwealth of Virginia to shareholders without prior approval of the Commissioner of Insurance is subject to restrictions relating to statutory surplus. Statutory surplus at December 31, 2014, and 2013, amounted to (\$19,889,933) and (\$25,446,699), respectively. No dividends were paid in 2014 or 2013.

### 5. CONTINGENCIES

As discussed in Note 1, the Company was placed in receivership by the Circuit Court of the City of Richmond on December 20, 2011.

The following paragraphs provide a summary description of certain litigation and/or claims filed by or against the Company as well as other contingencies.

#### C. American National Title ("ANT") Litigation

ANT, as policy issuing agent for the Company, engaged in a number of alleged fraudulent transactions that have resulted in significant loss to the Company. The principal for ANT is alleged to have worked in concert with a number of other conspirators using shell corporations and alter-ego partnerships to obtain loans on a number of commercial and residential properties. It is alleged that in a typical transaction, the principal or one of his conspirators sold a piece of property subject to a prior deed of trust to another of the co-conspirators or partnerships, and acting as the policy issuing agent for the Company, the principal would issue a new title insurance policy to the lender financing the transaction. It is alleged that this policy was always issued without exception to the prior deed of trust, and the prior deed of trust was never paid. In some cases, it is alleged, this fraud was repeated more than once on the same property. As a result of ANT performing the title searches and abstracts, as well as the closings on these transactions, the principal and his conspirators are alleged to have been able to conceal fraudulently the prior deeds of trust from all the lenders and the Company.

As of December 31, 2014, there are twenty-six (26) claims related to closings performed by ANT. Of the twenty-six (26) claims, there are ten (10) that show at least an indication of fraud on the part of the principal and co-conspirators. The Company paid \$1,464,212.96 in claims related to ANT closings prior to the receivership and, since the inception of the receivership, has approved an additional \$2,650,000 in claims. Reserves for remaining ANT-related claims are in excess of \$5 million.

#### D. Recoupment Actions

In order to mitigate claim losses, the Deputy Receiver continues to oversee efforts to identify and collect on files with the potential for recoupment of losses. Each claim is evaluated to identify potential third-party liability based on contracts, assignments, personal guarantees, insurance coverage, surety bonds, and the like. Once potentially liable parties and viable causes of action are identified, a demand is made on behalf of the Company. Collection on recoupment files is handled primarily internally, but if those efforts prove unfruitful, the claim for recoupment may be referred to outside counsel. As of December 31, 2014, there are forty-nine (49) pending recoupment claims with an aggregate demand amount of \$4,144,988.16 and \$620,986.94 recovered since the start of the receivership. Actual amounts recovered will likely be less than the demand amounts. These matters remain pending.

#### E. Proof of Claim Process and Appeals

As described in Note 1, on December 20, 2011, the Deputy Receiver established a receivership appeal procedure for the review of all decisions and claim determinations made by the Company or the Deputy Receiver. On or about January 26, 2012, the Deputy Receiver made proof of claim forms and instructions available for use by all parties wishing to assert claims against the Company.

From the inception of the receivership through December 31, 2014, seventeen (17) claim appeals have been filed with the Deputy Receiver. One of the appeals was automatically

## NOTES TO FINANCIAL STATEMENTS

denied. The Deputy Receiver has issued determinations of appeal in the other sixteen (16) appeals. Of those, nine (9) have been further appealed by petition to the Commission. Of those, the Commission has affirmed seven (7) and two (2) remain pending.

There are a total of one hundred forty-six (146) general creditor claims against the estate that are not policyholder claims and are not reserved as such. These claims include the Cortellessa claim described in Note 14.D. below. The aggregate amount claimed by these proofs of claim, excluding Cortellessa, is \$5,081,810.38. General creditor claims will not be reviewed unless and until it is determined that all other higher priority claims will be paid, in which event only those general creditor claims found upon review to be meritorious will be paid, pro rata to the extent of any assets available for that purpose.

### F. Litigation Against the Company

There are twenty-three (23) cases pending against the Company. On January 2, 2012, the Deputy Receiver sent a notice of receivership to all local counsel and requested that those counsel file a notice of receivership and seek stays of pending litigation. As of December 31, 2014, all actions against the Company have been stayed, dismissed, or otherwise inactive. Any potential loss attributable to these actions is reflected in related claims reserves.

#### Gary R. Cortellessa v. Southern Title

The plaintiff, Gary R. Cortellessa ("Cortellessa"), was originally hired by Southern Title as regional counsel for Maryland, the District of Columbia, Virginia, Pennsylvania, and New Jersey. According to his complaint, Cortellessa was offered the position of Chief Operating Officer in April of 2011 and was promoted to that position on May 1, 2011. On July 31, 2012, Cortellessa filed his original complaint in Montgomery County, Maryland, seeking payment of an alleged \$25,000 bonus, treble damages in the amount of \$49,000, and attorney fees. On January 22, 2013, an agreed stay was entered by the parties in this matter. The stay was extended indefinitely and may only be lifted with sixty (60) days' notice by either party. In addition, Cortellessa joined ALPS, Southern Title's former parent company, as a party to the suit.

On March 25, 2013, the Deputy Receiver received a proof of claim form from Cortellessa's counsel and an apparent request for leave to lift the stay on his lawsuit against the Company.

The merits of the claim have not been fully analyzed, as the likelihood is small that claims below policyholder priority will be reached and paid. A notice of priority determination was sent on July 2, 2013, denying the Cortellessa request to lift the stay and adjudicating the priority of his claim as below policyholders. On July 29, 2013, a notice of appeal was received that challenged the priority determination. The Deputy Receiver issued a determination of appeal on October 22, 2013, affirming the priority determination.

On November 21, 2013, Cortellessa mailed his Petition for Review of the Deputy Receiver's Determination of Appeal to the Commission. On April 14, 2014, the Commission entered an order dismissing Cortellessa's petition on grounds that the petition was untimely. That dismissal was not appealed, and the case is now final.

#### Nguyen v. Southern Title, et al.

On September 30, 2011, Danny Nguyen filed a lawsuit against Southern Title, Esquire Title, and Earl Fitzgerald. Nguyen's claim stems from a set of three commercial contracts to buy a piece of property in Harris County from Chimney Hill. Fitzgerald was a general partner of Chimney Hill and signed paperwork related to the transaction on Chimney Hill's behalf. The property was split into three parcels, with three separate commercial contracts for sale of the parcels later made to Nguyen. Each of the contracts contained an option to purchase additional property. Southern Title's issuing agent, Esquire Title, conducted the closing. Relying on his option to purchase, Nguyen entered into a contract to sell the additional land to a purchaser. After entering escrow with the proposed purchaser, a title search revealed existing liens on the property. The basis for Nguyen's Deceptive Trade Practices Act allegations are that Esquire Title and the Company failed to conduct a proper title search.

---

## NOTES TO FINANCIAL STATEMENTS

---

On March 12, 2012, the court entered an order suspending the proceedings in recognition of the notice of receivership and stay of proceedings. On September 29, 2014, Nguyen served his motion to dismiss Southern Title from the case, and on October 2, 2014, he served a new motion to lift the stay for the purpose of prosecuting his claims against other defendants. On October 3, 2014, the court entered an Order of Nonsuit Without Prejudice as to defendant Southern Title Insurance Corporation. The Order dismissed any and all causes of action which were, or which could have been, filed by the plaintiff, Danny Nguyen, against Southern Title. No other defendant has attempted to file cross-claims against Southern Title.

### G. Asset Recovery Litigation

#### Southern Title v. Shakeel Uddin (Broadway Property)

This is the first petition filed on behalf of the Deputy Receiver against Dr. Shakeel Uddin ("Dr. Uddin"). In the Broadway property case, the Company, through its agent, ANT, issued a lender's title insurance policy to a bank (the "Bank") without exception to an existing deed of trust on the property owned by another lender entity (the "Other Lender Entity"). ANT failed to repay the deed of trust held by the Other Lender Entity. Ultimately, the Other Lender Entity foreclosed on the property, and the Bank made a claim for loss under its policy with the Company.

Dr. Uddin worked with Syed R. Mohiuddin, a principal of ANT, to obtain a loan from the insured Bank for their joint business venture. At the closing, Dr. Uddin signed a personal guarantee agreement for the full amount of the note (\$1,400,000) issued by the Bank, guaranteeing that he would be liable for all principal, interest, charges, and attorney fees, which may be or become due or owing on, the note to the insured Bank. The Company is subrogated under its title policy to the Bank's recovery rights against Dr. Uddin under the personal guarantee agreement. Thus, the Deputy Receiver has filed a recovery action against Dr. Uddin, alleging various causes of action, including breach of contract, fraud, and deceptive business practices.

The Company has not yet settled the underlying claim being asserted by the Bank. Thus, the specific amount of damages that the Company will seek to recover from Dr. Uddin at trial is not yet known. For this reason, the Company joined Dr. Uddin in filing the plaintiff's and defendant's agreed plea in abatement. The plea in abatement was granted. At this time, the proceedings are still abated and will continue to be abated until such time that the Bank's claim giving rise to the suit is settled or resolved in such a manner that the amount of the Company's damages is confirmed. Efforts to make a claim determination continue.

#### Southern Title v. Shakeel Uddin (Magnolia Shell)

The basis of this lawsuit was the Company's payment of \$1,000,000 to clear a prior lien in response to a claim made by its insured. The Company, through its policy-issuing agent, ANT, issued a \$2,250,000 lender's title insurance policy to a lender (the "Second Lender") for its deed of trust against certain property purchased by Magnolia Shell Truck Stop, Inc. The policy was issued without exception to an earlier deed of trust on the same property, and the closing agent, ANT, failed to pay off and clear the prior lien at the closing with the funds from the Second Lender.

As one of the principals of Magnolia Shell Truck Stop, Inc., Dr. Uddin signed a "Business Loan Agreement" at the closing of the Second Lender's deed of trust, wherein he provided various assurances to the Second Lender. In connection with the Second Lender's loan, Dr. Uddin also personally guaranteed the borrower's obligations under the deed of trust and other lending agreements, making Dr. Uddin responsible for the Second Lender's losses. Notwithstanding the representations and warranties of Dr. Uddin, the property was not free and clear of any and all liens when the loan was made by the Second Lender.

The Company paid the first lender \$1,000,000 in order to clear title to the property. By paying the obligation and clearing title for the Second Lender, the Company, and thereby the Deputy Receiver, became equitably and contractually subrogated to the rights of the insured under its policy. On May 23, 2012, an original petition was filed on behalf of the Deputy

Receiver alleging various causes of action including breach of contract, fraud, and deceptive business practices against Dr. Uddin for losses sustained in this matter.

The defendant filed a second amended answer along with affirmative defenses, a counterclaim, and designation of responsible third parties. The defendant's counterclaim includes causes of action for breach of fiduciary duties, breach of contract, fraud, conspiracy, conversion and theft, negligence and gross negligence, violations of the Deceptive Trade Practices Act and the Texas Insurance Code, deceptive insurance practices, and aiding and abetting. The basis of these claims was that Southern Title was vicariously liable for its agent's fraudulent behavior and failure to pay off the prior loan at closing. Southern Title filed an answer to the counterclaims.

Dr. Uddin also filed a motion for summary judgment. The Deputy Receiver filed a motion for summary judgment on defendant's counterclaims and one on the causes of action raised by the plaintiffs. The hearing on all three motions for summary judgment occurred on September 12, 2014. After taking the motions under consideration, the honorable Judge Hinde denied all three motions.

Settlement discussions were pursued to end the case, and on October 15, 2014, a Rule 11 agreement was entered into to settle the case. A formal settlement and a promissory note from Dr. Uddin to Southern Title and the Deputy Receiver were executed on November 19, 2014. The settlement provided for the dismissal of all claims in the litigation in exchange for a \$55,000 note from Dr. Uddin to be paid over the course of two years.

### Southern Title Insurance Corporation v. Wells Fargo Bank, N.A., et al.

This recoupment action consists of the following three related Florida claims in which Southern Title has sued Wells Fargo Bank to recover the losses on the claims. Defendants have not responded to the offer in judgment for the full amount of Southern Title's losses, plus attorney fees. Local counsel has authority to reduce Southern Title's demand to 70% of the losses and possibly dismiss the Springer case. The Wells Fargo Bank noticed deposition of Tom Rowe in Miami was continued and has not yet been rescheduled. Local counsel asked for authority to retain an expert on banking procedures and further requested a retainer of \$5,000 for that purpose. After a conference call on November 18, 2014, to review the legal and factual basis for the claims as well as to discuss the legal theories proposed to avoid a limitations bar for the claims, the retention of the banking expert was approved by the Deputy Receiver, and a retainer check of \$5,000 was requested. An amended complaint was filed on December 17, 2014. The amended complaint dropped the conversion and fraud counts, added some counts and added allegations that will help Southern Title overcome the statute of limitations defense. These claims are being handled on a contingent basis, and Southern Title is only paying costs and expenses at this time. The claim review determined that local counsel had addressed the perceived legal concerns sufficiently to justify the expenditure of fees for the expert and for depositions, and there do not appear to be any fee shifting statutes applicable to the claims. Wells Fargo Bank is attempting to remove the litigation to federal court and Southern Title is opposing the removal. It seems unlikely that Wells Fargo Bank will succeed in removing the case to federal court since the time for removal has long expired.

### 2007-447 Escobar

The seller, Taryn Miranda, filed suit against Southern Title and Stewart Title for \$980,000 which were the proceeds she was to receive from the sale of the subject property. Southern Title insured the purchaser's lender. Southern Title's policy issuing agent, Miller Title, closed the transaction, and under a Florida defalcation statute, the underwriter is liable for all funds missing in transactions underwritten by the insurer. Michael Rojas, a principal of Miller Title, allegedly convinced Miranda to leave the proceeds with him to invest in other properties. The proceeds were covered by two checks, which bore endorsements allegedly from Taryn Miranda, and were deposited into an account controlled by Michael Rojas under the name BND Title. The signatures on the checks were forgeries. Southern Title settled with Miranda for \$240,000 which included a partial assignment of any proceeds she might receive from her attempts to recover from other parties. Southern Title ultimately received

## NOTES TO FINANCIAL STATEMENTS

\$4,828.25 from her action against a bank. Legal fees in the amount of \$191,311.86 were incurred.

### 2009-393 Suero

This is the second claim involving Miller Title. Here, there were two prior mortgages to Aurora Loan Servicing ("Aurora"), a first and a second that were never paid off. The closing took place in May 2007, and the payoffs at the time of closing were to be made via two checks payable to Aurora, one for \$542,916.14 and the other for \$210,280.17. A satisfaction was recorded, but the lender later filed suit challenging it as forged. It appears both checks were deposited without endorsement into the BND Title account at Wachovia, now Wells Fargo Bank. Southern Title's insured lender, SunTrust, was named as a party and filed the claim. In addition, the seller in this transaction was Orestes Guirola. The seller's proceeds were deposited into an account in the names of Orestes Guirola and Michael Rojas. The funds were then also transferred to the account of BND Title. Wire transfers were then sent to other accounts controlled by Michael Rojas, including an E-trade account. This case was delayed by Aurora filing bankruptcy. Aurora was ultimately granted a foreclosure which wiped out the insured lien. The measure of damages therefore is the value of the property. Southern Title's policy was for \$953,300. At this time, Southern Title has not received a demand or proof of claim from SunTrust. Past valuations were in the \$450,000 range. Southern Title incurred legal fees of \$36,446.90 prior to the receivership and, as stated above, has not received a proof of claim for any post-receivership attorney fees due to defense being tendered to the insured.

### 2008-65 Springer

The facts of this third case involving Miller Title are different from the other two. Miller Title handled a closing which was supposed to be a sale from Rene Ripes, Jr. to Brandon Springer. Ripes' lender was foreclosing, but a dismissal of the foreclosure and release of the lien was recorded just prior to the closing. Springer borrowed \$199,300, and a title insurance commitment was issued for that amount. The lender's closing instructions indicated that the policy was to be for 125% of the loan amount, and the premium collected was based on that amount. The dismissal of foreclosure and release of the Ripes' lien was forged, and that foreclosure continued with the property being sold to Deutsche Bank and thereby wiping out the insured lien. Southern Title paid policy limits of \$219,000. As this does not appear to involve a forged check, Southern Title's claims against Wells Fargo Bank differ from the other two matters and may require dismissal of the claims against Wells Fargo Bank, but we must first review pending responses to discovery and trace the funds at issue.

### Southern Title v. Ecom Title Agency, LLC, et al.

This recoupment action stems from Southern Title's payment of \$48,000 to clear a prior lien in relation to a claim made by its insured, Quick Loan Funding, Inc. ("Quick Loan"). The Company, through its policy-issuing agent, Ecom Title Agency, LLC ("Ecom Title"), issued a lender's title insurance policy to Quick Loan insuring a deed of trust on the property owned by James and Mayra Volks (the "Volks") located in Lake Worth, Florida (the "Property"). Ecom Title thereafter engaged Elender Escrow, Inc. ("Elender Escrow") to perform closing and escrow services. The Company's policy was issued without exception to an existing Home Equity Line of Credit (the "HELOC") from First Union (now "Wachovia"), secured by a mortgage on the Property. As such, Ecom Title and/or Elender Escrow caused payments to be made to Wachovia for the amounts drawn from the HELOC from the Volks. However, Ecom Title and/or Elender Escrow failed to properly close the HELOC and secure a release/satisfaction from Wachovia. Soon after the loan from Quick Loan closed, the Volks drew \$48,000 from the HELOC. Quick Loan filed a claim, and the Company thereafter paid Wachovia \$48,000 to obtain a release of the lien.

On October 21, 2010, the Company brought claims in West Palm Beach (Palm Beach County), Florida, for contractual indemnification and negligence against Ecom Title and for breach of a third-party beneficiary contract and negligent escrow against Elender Escrow. All of the Company's aforementioned claims were grounded in the performance of escrow and closing duties.

## NOTES TO FINANCIAL STATEMENTS

---

On April 13, 2013, Ecom Title filed a motion for summary judgment as to the Company's claims against it. Ecom Title's arguments were grounded in the fact that it did not perform escrow and closing services. On August 20, 2013, Ecom Title's motion for summary judgment was granted with respect to the Company's claim for contractual indemnification. However, the court reserved ruling on Ecom Title's motion for summary judgment with respect to the Company's claim for negligence.

On August 23, 2013, with respect to the Company's dismissed claim for contractual indemnification, Ecom Title filed a motion for entitlement to fees and costs, on the basis of a contractual provision in the Issuing Agency Contract. On September 30, 2013, Ecom Title's motion for entitlement to fees and costs was granted, and the court reserved jurisdiction as to the amount.

On October 18, 2013, the Company filed a motion for leave to amend its complaint. In its proposed amended complaint, the Company brought claims for contractual indemnification, negligence, breach of contract against Ecom Title, and for breach of a third-party beneficiary contract and negligent escrow against Elender Escrow. All of the Company's aforementioned claims against Ecom Title were grounded in the performance of legal and contractual duties, not including the performance of escrow and closing duties. All of the Company's aforementioned claims against Elender Escrow remained grounded in the performance of escrow and closing duties. On January 22, 2014, Southern Title's motion for leave to amend its complaint was granted.

On February 11, 2014, Ecom Title filed its answer and affirmative defenses to the Company's amended complaint. Ecom Title asserts the Company's negligence claim is deficient as pled, denies that it contributed to the Company's injury, and asserts the affirmative defenses of comparative negligence, intervening and superseding causes, and failure to mitigate damages.

The defendant offered to settle for Southern Title paying it some portion of its attorney fees. Southern Title countered with a demand for payment of \$40,000. Opposing counsel counter-demanded \$3,000, whereupon Southern Title counter-demanded \$18,000. According to local counsel, the defendant finds it difficult to justify making any payment in light of the current ruling in its favor for attorney fees. However, the scope of its award was significantly called into question when the court allowed the filing of the amended pleadings. Nevertheless, local counsel is less enthusiastic regarding the case in light of the fee offset that will limit its contingent fee recovery, and they have asked to convert the case to a fee basis. Outside counsel has recently prepared and filed an offer in judgment for \$18,000. Although counsel have discussed the possibility of mediation, the parties have not yet agreed to mediate.

### H. Asset Recovery Arbitration

On February 15, 2013, the Deputy Receiver served a Notice of Arbitration and alleged claims against a former appointed actuary of the Company concerning the actuary's statements of actuarial opinion for certain years preceding 2010. The respondent served its notice of defense on March 7, 2013. A three-member arbitration tribunal was constituted as of April 22, 2013. On May 8, 2013, the Deputy Receiver filed a motion for leave to amend notice of arbitration. On July 31, 2013, the tribunal granted in part and denied in part the Deputy Receiver's motion for leave to amend notice of arbitration, and the amended notice was served on August 7, 2013. From August 11, 2014 to August 14, 2014, an arbitration hearing was held in New York and evidence was presented in support of the Company's claims for an award of actual damages and prejudgment interest. Closing briefs were filed in September, and closing argument was held on November 5, 2014. The tribunal had not issued its Final Award prior to December 31, 2014.

#### A. Inputs used for Assets and Liabilities Measured and Reported at Fair Value

- (1) The Company has categorized its assets and liabilities that are reported on the balance sheet at fair value into the three-level fair value hierarchy as reflected in the table below. The three-level hierarchy is based on the degree of subjectivity inherent in the valuation method by which fair value was determined. The three levels are defined as follows:

Level 1 – Quoted Prices in Active Markets for Identical Assets and Liabilities: The Company has no assets or liabilities measured at fair value in this category.

Level 2 – Significant Other Observable Inputs: This category, for items measured at fair value on a recurring basis, includes real estate and other invested assets which are not exchange traded. The estimated fair values of some of these items were determined by an independent appraiser using observable inputs and subsequent sales prices.

Level 3 – Significant Unobservable Inputs: The Company has no assets or liabilities measured at fair value in this category.

### 12. OTHER ITEMS

By letters dated November 5, 2012, for certain events in 2011, the Deputy Receiver asserted claims against certain former officers of the Company, affiliates of the Company, and one of the Company's former appointed actuaries. On February 4, 2013, all of the parties participated in a mediation that resulted in a Memorandum of Agreement, which was superseded by a more formal agreement with an effective date of February 22, 2013 (the "Settlement Agreement"). Pursuant to the Settlement Agreement, the Company received

\$1,250,000 for the release of claims arising against the settling parties (with the exception of certain reserved claims or potential claims).

### 13. EVENTS SUBSEQUENT

On January 28, 2015, the plaintiff in the Gary R. Cortellessa v. Southern Title matter submitted a proof of claim reasserting the claim that had been finally resolved by the April 14, 2014, Order of the Commission dismissing the appeal as untimely and effectively affirming the July 2, 2013, notice of priority determination. On February 5, 2015, a letter was sent to Cortellessa stating as much and maintaining the Deputy Receiver's determination that the claim would not be adjudicated on its merits unless or until funds become available for distribution to lower level claimants.

In the Southern Title v. Shakeel Uddin (Magnolia Shell) case, the court issued an Agreed Order Granting Dismissal with Prejudice on January 12, 2015. Accordingly, all claims, counterclaims, motions for sanctions or other relief and all causes of action brought in this lawsuit by either party were dismissed with prejudice to refileing the same. Dr. Uddin is current on payments under the note he signed.

The Southern Title Insurance Corporation v. Wells Fargo Bank, N.A., et al. recoupment case was removed to Federal Court in January of 2015, and local counsel in Florida has moved to remand the case to state court.

On February 16, 2015, counsel for the defendant, Ecom Title, in the Southern Title v. Ecom Title Agency, LLC, et al. suit filed an offer of judgment in the amount of \$5,000. The offer of judgment shifts fees to the opposing party if the ultimate judgment is within 25% of the offer. Due to the pending fee award in favor of Ecom Title, there is significant risk that a judgment award would not exceed this amount. Accordingly, counsel has been authorized to accept the offer.

In the Asset Recovery Arbitration, the arbitration panel issued and delivered its Final Award on February 4, 2015. The parties have ninety days from that date to seek to vacate or modify the Final Award, and one year to seek to confirm it.

### 14. REINSURANCE – NO CHANGE

### 15. RETROSPECTIVELY RATED CONTRACTS AND CONTRACTS SUBJECT TO REDETERMINATION – NOT APPLICABLE

### 16. CHANGE IN INCURRED LOSSES AND LOSS ADJUSTMENT EXPENSES

As of December 31, 2014, and December 31, 2013, known claims reserves were \$15.300 and \$15.235 million. The reserves increased approximately \$65,000 due to reserve adjustments and new claims received. Original estimates are increased or decreased as additional information becomes known regarding individual claims.

After commencement of the receivership, the Deputy Receiver evaluated whether claim reserves should be increased. The Deputy Receiver retained the law firm of Troutman Sanders LLP ("Troutman") to perform an independent review of all the pending ANT claims and a 10% random sample of the non-ANT claims. Claim reserves were adjusted based on claim reviews and recommendations of the receivership team and Troutman. The post-receivership reserve adjustments were made and included primarily as of December 31, 2011. Oliver Wyman ("OW") was retained to perform an actuarial analysis of the reserving practices. Post-December 31, 2011, reserve adjustments are reflected as "material subsequent" events, as required by actuarial standards of practice, in OW's 2011 reserve analysis.
